Pagnozzi Youth Sports Assistance Program

"Thank you so much I really mean it when I say without this sponsorship my boys would not be able to play! They have been through so much in the last few months this will definitely make them very happy! I hope someday I am able to support your program from the sponsor side. Thank you and everyone at Pagnozzi Charities! This is truly a blessing for my boys!"

"Thank you and everyone else at Pagnozzi Charities. Without you, there would be no way for Gavin to participate in the summer ball program. Our family barely makes it with just my husband working. It makes me sad to know there are children out there who want to participate in sports but their parents have no way to pay the fees and are not fortunate enough to have an organization like Pagnozzi Charities to help out. I know many children have dreams of growing up and playing professional sports and with your help, these children have a better chance of watching their dreams come true. As a proud parent of a sweet little boy; thank you and God bless you and everyone with Pagnozzi Charities."

"Thank you so very much for helping us out! Without your help, Faith wouldn't have been able to play Softball. She can't wait to get started. She has told everyone how nice you were to her. Then she shows everyone all of her stuff. I wish you could see how happy this has made her. Everyday she is ready to practice. We were in shock to see how well she did."

"Thank you for supporting me in all of my athletic activities. This has helped me with building character and sportsmanship and making a few friends along the way. I thank you for supporting me again."

The Pagnozzi Charities Youth Assistance Program was formally founded in 1999 by former St. Louis Cardinals and University of Arkansas Razorbacks alumni coach, Tom Pagnozzi. The program was established to help under-privileged youth participate in sports related camps and lessons, seasonal sports recreational programs and purchase of equipment necessary to play a sport. Pagnozzi Charities has assisted over 9,000 children in Northwest Arkansas.

The mission of Pagnozzi Charities Youth Sports Assistance Program is to open the door of athletic experience to disadvantaged youth. Our goal is to advance the well-being of youth by giving them the same opportunity as their peers and introducing them to positive life experiences.
